-  **20H total playtime**
-  **Case charge**
-  **Touch control**
-  **Bluetooth® 5.0**
-  **Android & iOS**

## WIKO BUDS IMMERSION

### Pure, noise-free quality sound for 20H!

Put the world on mute and live in a bubble with Wiko Buds Immersion earbuds. Its Active Noise Controlling cancels out low frequency unwanted noise up to 25dB for pure audio immersion. Environment Noise Controlling works alongside for improved call quality and clearer conversations, blocking out disturbing external sounds with dual microphone noise cancellation.

Keep up the pace with 20 hours of total playtime, including 5 hours of battery autonomy in one full charge and 15 extra hours, with 3 quick top ups in the compact charging case.

The trendy looks do not sacrifice comfort for great all-day wear, with a completely ergonomic design at only 5g each. The 3 sizes of ultra-soft ear tips included, offer a user personalised fit for a snuggler feel in-ear and natural noise reduction.

Easy to connect, it has the dedicated app Wiko Connect and is compatible with Android and iOS devices via Bluetooth®5.0.

**Colour available:**  Glossy white

# Turn off the noise

#### New Eco Packaging !

Wiko protects the environment by using :
